

7th ANNUAL ANDREW MCARDLE SPORTS SCHOLARSHIP

5K Walk/Race

What is The Andrew McArdle Sports Scholarship Fund?

Each year, The Andrew McArdle Sports Scholarship Fund rewards 5 deserving students who exemplify the memory of a boy who was a good student and a team player—always respectful, never flustered, strong, kind, gentle and humble to all who knew him.

The scholarship fund provides financial assistance to students of the Carmel Central School District, who attend and graduate from Carmel High School and go on to attend colleges or universities to attain degrees. It is intended for students who attain athletic excellence, while maintaining academic eligibility.

In addition, the fund assists the sports teams of the Carmel High School Athletic Department with financial expenses not covered in its operating budget.
